Work Experience

- ***2025-Present Department of Sociology, University of Macau Teaching Assistant***

The work involved assisting professors with the class setting up, answering questions from the class, grading homework and giving feedback in front of the class.

- ***2023 Guangdong ETR "广东广信君达" Law firm Lawyer Assistant (Internship)***

The work involved reviewing and revising multiple contracts covering freight transportation, food production, and garment manufacturing, etc. I also assisted in identifying key case issues, collating detailed calculations for arbitration cases, and providing legal research support.

- ***2022-2023 GDUFS & Guangzhou Lawyers Association Course Assistant***

The work involved assisting the professor with lesson designing for the "Foreign Legal Professional Training Course Series", officially hosted by the Guangzhou Lawyers Association and co-organized by the Faculty of International Business English of Guangdong University of Foreign Studies (GDUFS). For the duration of the course, we facilitated group discussions for registered lawyer participants, prepared supplementary course materials, and established academic exchange channels with legal practitioners.

Research Experience

- ***2025 Report "Parenting Styles and Children's Attachment Tendencies"***

This study aims to explore the different influences of parenting styles on children's attachment tendencies of avoidant attachment and anxious attachment. This study employed an online cross-sectional survey design and finally a total of 185 questionnaires were collected. It conducted Spearman analysis and multiple regression analysis to test our hypotheses.

- ***2024 Report "Celebrities and Substance Abuse: risk factors for substance abuse"***

This study is to reveal the mechanisms that cause celebrity substance abuse and to inspire people not to "romanticize" substance abuse and not treat it as a social or pop culture experience. This report uses content analysis as the research method. The main outcome indicators of this study are descriptive values including the type of substance use disorder, the reason for the first drug use or the motivation for the continued drug use, the duration, the detoxification and the outcome, etc.

- ***2022-2023 "中联重科杯" 3rd National Law Student Writing Contest***

My team promoted a paper entitled "Legal Characterization, Legal Risks and Protection Paths of NFT Digital Collections Transactions", which discusses the legal determination of copyright infringement under the Chinese NFT market. The paper won the third prize at the law school's academic paper competition in 2023.

- ***2021-2024"大创'College Students' Innovative Entrepreneurial Training Plan Program***

Team project "Lawin Nurturing Talent" was awarded at a university-level project with funding, which was a cooperation outcome with the Guangzhou Lawyers Association. The project was completed in March 2024. In this project, team members are participating in the training of lawyers as course assistants for the Faculty of International Business English. Based on the academic pattern and feedback from the lawyers, we wrote a recommendation report that exceeds 15,000 words, which was approved by the Guangzhou Lawyers Association.

Extracurricular Activities

- ***2020-2022 Academic Mock Trial, School of Law, GDUFS Member & Organizer***

I served as the School of Law's Mock Trial scriptwriter and core cast for two academic years. The work involves researching representative cases from the civil law system and the common law system for presentation at the annual mock trial, analyzing core legal disputes, drafting scripts, delivering presentations, and staging performances based on the legal cases.

- ***2021-2023 Student Affairs Office, School of Law, GDUFS Assistant***

I served as a university counselor's assistant in the Law School's Office of Academic Affairs for two consecutive academic years. Work includes assisting the counselor in organizing documents, preparing slides for meetings, designing posters for guest lectures and performing other student administrative tasks.

- ***2022-2023 English Debate Team, GDUFS Captain***

I was responsible for team management, team recruiting publicity, recruiting interviews, and preparing lectures and training sessions about British Parliamentary Debate for new team members. We organized FLTRP Cup and CUDC Campus Trial debate tournaments and hosted

online meetings with more than 100 participants in 2023-2024. For debating experience, I advanced to the semi-finals of the Sun Yat-sen University English Debate Novice Tournament and was awarded 6th "Best Speaker Overall" in 2021. For judging experience, I served as a Panel Judge at the Northeast Asia Debate Competition in 2022.

- ***2024-2026 Free-cycle Beach Cleanup Spontaneous Organization Member***

I participated in a spontaneous beach cleanup activity with friends from the Macau free-cycle lifestyle volunteers group (澳门免废生活). Our main area for the beach cleanup activities is the Cheoc Van Beach, and I have been participating in this more than ten times since November 2024.

- ***2026-present English Debate Team, University of Macau Member***
